G7 Foreign Ministers' Statement on the Myanmar Military Junta's Executions

US Department of State Joint Statement

Washington, D.C., 31.07.2022, 14:17 Time

USPA NEWS - The text of the following statement was released by the G7 foreign ministers of Canada, France, Germany, Italy, Japan, the United Kingdom, and the United States of America, and the High Representative of the European Union.

We, the G7 Foreign Ministers of Canada, France, Germany, Italy, Japan, the United Kingdom, and the United States of America, and the High Representative of the European Union, strongly condemn the four executions by the military junta in Myanmar.

These executions, the first in Myanmar in over thirty years, and the absence of fair trials show the junta's contempt for the unwavering democratic aspirations of the people of Myanmar. Those executed were prominent members of the democratic opposition – democracy activist Kyaw Min Yu (known as “Ko Jimmy”), former Member of Parliament Phyo Zeyar Thaw, as well as Aung Thura Zaw and Hla Myo Aung. Our thoughts are with the families of the four victims and with those of the many others who have been killed, arrested or tortured in Myanmar since the military illegitimately took over power in February 2021.

We continue to condemn in the strongest terms the military coup in Myanmar and express deep concern about the political, economic, social, humanitarian and human rights situation in the country.

We call on the military regime to immediately end the use of violence, to refrain from further arbitrary executions, to free all political prisoners and those arbitrarily detained and to return the country to a democratic path. We continue to support efforts by ASEAN, and call for the military to meaningfully implement all aspects of the ASEAN Five Point Consensus. This includes an inclusive process of dialogue with a broad range of democratic opposition. We also continue to support efforts by the United Nations, and encourage effective coordination between the ASEAN Special Envoy and the Special Envoy of the United Nations Secretary-General on Myanmar.

Thank you for reading my article. These are merely my thoughts and insights based on the facts. I use only verified sources. No fake news here. I write about a variety of subjects, mainly things I want to research and know more about.
